

# Genetic Resources in Protected Areas 2010

Author: Erik Persson<erik.persson@nordgen.org>

I

The conference

## **Genetic Resources in Protected Areas ? From Words to Action**

&nbsp;took place at St Gertrud conference center, Malmö, Sweden, 16-17. November 2010.

[Conference schedule in PDF](#)

**Below you can find the presentations from the conference (in order of appearance):**

[Lars Landbo: Introduction - webcast \(4 min.\)](#)

[Urban Emanuelsson: "Protecting biodiversity" - pdf](#)

[Urban Emanuelsson: "Protecting biodiversity" - webcast \(48 min.\)](#)

[Mikael Hedrén: "Genetic diversity" - pdf](#)

"

[Mikael Hedrén: "Genetic diversity"  
" - webcast \(30 min.\)](#)

Gert Poulsen, NordGen: "Priority listing for in situ conservation of crop wild relatives?"  
(presentation not available)

Tor Myking, NordGen: "In situ conservation of forest genetic resources (FGR) in Norway ? and beyond?"  
(presentation not available)

[Juozas Labokas: "SWORT analysis of in sit PGR conservation system in Lithuania" - pdf](#)

[Juozas Labokas: "SWORT analysis of in sit PGR conservation system in Lithuania"  
" - webcast \(21 min.\)](#)

[Pedro Mendes-Moreira: "Promoting crop plant diversity conservation in protected areas: Experiences in Europe" - pdf](#)

[Pedro Mendes-Moreira: "Promoting crop plant diversity conservation in protected areas: Experiences in Europe" - webcast \(38 min.\)](#)  
&nbsp;[Discussion \(6 min.\)](#)

[Lothar Frese: "Genetic reserve conservation of CWR and landraces in Europe" - pdf](#)

[Lothar Frese: "Genetic reserve conservation of CWR and landraces in Europe" - webcast \(38 min.\)](#)

[Linda Birkedal: "Sularp nature reserve - saved by volunteers" - pdf](#)

[Linda Birkedal: "Sularp nature reserve - saved by volunteers" - webcast \(22 min.\)](#)

[Per Milberg: "The evidence-base movement: how to efficiently use and share knowledge" pdf](#)

[Per Milberg: "The evidence-base movement: how to efficiently use and share knowledge" - webcast \(33 min.\)](#)

[Sanna Black-Samuelsson: "Gene conservation of forest trees in protected areas ? a future strategy" - pdf](#)

[Sanna Black-Samuelsson: "Gene conservation of forest trees in protected areas ? a future strategy" - webcast \(43 min.\)](#)

[Nigel Maxted: "Developing National Strategies for Crop Wild Relative Conservation: An Illustrated Case Study for the United Kingdom" - pdf](#)

[Nigel Maxted: "Developing National Strategies for Crop Wild Relative Conservation: An Illustrated Case Study for the United Kingdom" - webcast \(61 min.\)](#)  
&nbsp;

[Grethe Helene Evjen: "Report on the work of access and benefit sharing \(ABS\) from COP10 of the Convention on Biodiversity" - pdf](#)

[Grethe Helene Evjen: "Report on the work of access and benefit sharing \(ABS\) from COP10 of the Convention on Biodiversity" - webcast \(36 min.\)](#)

[Hjörtur Þorbjörnsson & Morten Rasmussen \(filling in for Fredrik Ottosson\): "Implementing th \\_\\_\\_\\_\\_](#)

[ABS in seed exchange. Examples of a gene bank and a botanic garden" - pdf](#)

[Hjörtur Þorbjörnsson & Morten Rasmussen \(filling in for Fredrik Ottosson\): ?Implementing th  
ABS in seed exchange. Examples of a gene bank and a botanic garden"- webcast \(32 min.\)](#)

**Workshop reports:**

[Group 1 ? How do we combine traditional nature protection with conservation of genetic resources? - pdf](#)

[Group 2 ? How do we improve the protection of intra-species diversity \(and not just inter-species diversity\) in the efforts of protecting biodiversity? - pdf](#)

[Online group - How do we take the next step? - pdf](#)

[Group reports - webcast \(15.min\)](#)

[Joint discussion: ?How do we convert words into action; what is the next step?" - pdf](#)

[Joint discussion: ?How do we convert words into action; what is the next step?"- webcast \(31 min.\)](#)

[ABS discussion - pdf](#)

[ABS discussion - webcast \(14 min.\)](#)
